There were no members of the public present at this time.

THIRD ORDER OF BUSINESS

Approval of Minutes of the February 9,

2023 Audit Committee and Board of

**Supervisors Meetings** 

Ms. Burns presented the minutes from the February 9, 2023 Audit Committee and Board of Supervisors meetings. Ms. Burns asked for any questions, comments, or corrections to those minutes. The Board had no changes to the minutes.

On MOTION by Mr. Shenefield, seconded by Mr. Andrade, with all in favor, the Minutes of the February 9, 2023 Board of Supervisors and Audit Committee Meetings, were approved.

#### FOURTH ORDER OF BUSINESS

Consideration of Resolution 2023-03 Approving the Proposed Fiscal Year 2023/2024 Budget (Suggested Date: July 13, 2023), Declaring Special Assessments, and Setting the Public Hearings on the Adoption of the Fiscal Year 2023/2024 Budget and the Imposition of Operations and Maintenance Assessments

Ms. Burns reviewed the resolution and suggested the date for the public hearing being July 13, 2023. She noted the budget was attached as Exhibit 'A' and added this has a significant increase. She noted the District has 263 lots. The current assessment is \$600 and the proposed amount is \$1,792.80. She added the only item to cut in the proposal is security at \$34,000. Ms. Burns explained with an amenity and field costs, this is a reasonable estimate. She suggested to send notices now. She added the capital reserve transfer is low and will need to be increased going forward. Cutting security, rising costs, and other options for reduction were discussed. She noted there were only 7 residents and felt now was the time to send the notices. She discussed levying the full amount of \$1,700, the residents would have the new assessments on their lots, and the contributions would be a direct bill. She noted another option would be if the Developer funds something. Ms. Burns suggested disclosing the higher amount which is realistic for what they will pay.

The Board discussed reducing legal to \$5,000, reducing landscape replacement to \$10,000, reducing field contingency to \$5,000, reducing security services to \$5,000, reducing amenity repairs & maintenance to \$5,000, reducing contingency to \$7,500, and removing capital reserves transfer for upcoming year.

This will be an increase and a 21-day notice will be sent to residents. The specifics of the notices were discussed to include what is on the tax bill. The hearing will be July 13, 2023.

On MOTION by Mr. Walsh, seconded by Mr. Andrade, with all in favor, Resolution 2023-03 Approving the Proposed FY 2024 Budget and Setting the Public Hearing for July 13, 2023 on Budget and Imposing O&M Assessments, was approved.

#### FIFTH ORDER OF BUSINESS

Consideration of Resolution 2023-04 Authorizing Bank Account Signatories

Ms. Burns stated this will appoint the Treasurer, Assistant Treasurer, and Secretaries as signers, rather than specific people in the case they change.

On MOTION by Mr. Walsh, seconded by Mr. Andrade, with all in favor, Resolution 2023-04 Authorizing Bank Account Signatories, was approved.

#### SEVENTH ORDER OF BUSINESS

#### **Staff Reports**

#### A. Attorney

Ms. Gentry noted the state legislation has closed and the proposed increase to sovereign immunity did not pass, so limitation and liabilities stay in place. They did approve a requirement for CDD Supervisors to do ethics training each year. She added videos are approved to satisfy this requirement.

#### B. Engineer

Mr. Gadd stated he will be completing the inspections of the site and the yearly Engineer Report towards the end of the month.

He presented the quotes to approve the amenity center for cleaning interior with janitorial with the recommendation to go with Clean Star. Ms. Burns added they will need a public hearing to set the rental fees. It required a notice and renting cannot occur until after the hearing. Ms. Gentry recommended the Board charge a refundable deposit and a non-refundable cleaning fee. Ms. Burns noted some possible pricing for deposit.

Mr. Smith discussed pool vendors and costs. He included E & A Services, Resort Pool Services, he noted Prince and Sons gave a quote for to maintain amenity with mowing, plants, fertilization, planting and planting for about \$30,000.

Mr. Smith discussed the security system to change over from access to the bathroom. He noted Precision Locks and Safes did the original install and was not comfortable with the work. He noted another option with Current Demands to replace hardware and storage in the cloud.

On MOTION by Mr. Walsh, seconded by Mr. Andrade, with all in favor, the Amenity Quotes, were approved.

Ms. Burns noted the amenity could open soon. She discussed the notices and public hearing for rental rates for the July meeting. She added it would be available for rentals on July 13<sup>th</sup>. #### **RESOLUTION 2023-07**

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE EAGLE HAMMOCK COMMUNITY DEVELOPMENT DISTRICT MAKING A DETERMINATION OF BENEFIT AND IMPOSING SPECIAL ASSESSMENTS FOR FISCAL YEAR 2023/2024; PROVIDING FOR THE COLLECTION AND ENFORCEMENT OF SPECIAL ASSESSMENTS; CERTIFYING AN ASSESSMENT ROLL; PROVIDING FOR AMENDMENTS TO THE ASSESSMENT ROLL; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Eagle Hammock Community Development District ("District") is a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District; and

WHEREAS, the District is located in Polk County, Florida ("County"); and

**WHEREAS**, the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District's adopted capital improvement plan and Chapter 190, *Florida Statutes*; and

WHEREAS, the Board of Supervisors ("Board") of the District hereby determines to undertake various operations and maintenance and other activities described in the District's budget ("Adopted Budget") for the fiscal year beginning October 1, 2023 and ending September 30, 2024 ("Fiscal Year 2023/2024"), attached hereto as Exhibit "A" and incorporated by reference herein; and

WHEREAS, the District must obtain sufficient funds to provide for the operation and maintenance of the services and facilities provided by the District as described in the Adopted Budget; and

WHEREAS, the provision of such services, facilities, and operations is a benefit to lands within the District; and

**WHEREAS,** Chapter 190, *Florida Statutes*, provides that the District may impose special assessments on benefitted lands within the District; and

WHEREAS, it is in the best interests of the District to proceed with the imposition of the special assessments for operations and maintenance in the amount set forth in the Adopted Budget; and

**WHEREAS**, the District has previously levied an assessment for debt service, which the District desires to collect for Fiscal Year 2023/2024; and

WHEREAS, Chapter 197, *Florida Statutes*, provides a mechanism pursuant to which such special assessments may be placed on the tax roll and collected by the local tax collector ("Uniform Method"), and the District has previously authorized the use of the Uniform Method by, among other things, entering into agreements with the Property Appraiser and Tax Collector of the County for that purpose; and

WHEREAS, it is in the best interests of the District to adopt the Assessment Roll of the Eagle Hammock Community Development District ("Assessment Roll") attached to this Resolution as Exhibit "B" and incorporated as a material part of this Resolution by this reference, and to certify the Assessment

Roll to the County Tax Collector pursuant to the Uniform Method; and

WHEREAS, it is in the best interests of the District to permit the District Manager to amend the Assessment Roll, certified to the County Tax Collector by this Resolution, as the Property Appraiser updates the property roll for the County, for such time as authorized by Florida law.

# NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE EAGLE HAMMOCK COMMUNITY DEVELOPMENT DISTRICT:

- **SECTION 1. BENEFIT & ALLOCATION FINDINGS.** The Board hereby finds and determines that the provision of the services, facilities, and operations as described in **Exhibit** "A" confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the cost of the assessments. The allocation of the assessments to the specially benefitted lands, as shown in **Exhibits** "A" and "B," is hereby found to be fair and reasonable.
- **SECTION 2. ASSESSMENT IMPOSITION.** Pursuant to Chapters 190 and 197, *Florida Statutes*, and using the procedures authorized by Florida law for the levy and collection of special assessments, a special assessment for operation and maintenance is hereby imposed and levied on benefitted lands within the District, and in accordance with **Exhibits "A" and "B."** The lien of the special assessments for operations and maintenance imposed and levied by this Resolution shall be effective upon passage of this Resolution. Moreover, pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount shall serve as the "maximum rate" authorized by law for operation and maintenance assessments.
- **SECTION 3. COLLECTION.** The collection of the operation and maintenance special assessments and previously levied debt service assessments shall be at the same time and in the same manner as County taxes in accordance with the Uniform Method, as indicated on **Exhibits "A" and "B."** The decision to collect special assessments by any particular method e.g., on the tax roll or by direct bill does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.
- **SECTION 4. ASSESSMENT ROLL.** The Assessment Roll, attached to this Resolution as **Exhibit** "**B**," is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County taxes. The proceeds therefrom shall be paid to the District.
- **SECTION 5. ASSESSMENT ROLL AMENDMENT.** The District Manager shall keep apprised of all updates made to the County property roll by the Property Appraiser after the date of this Resolution, and shall amend the Assessment Roll in accordance with any such updates, for such time as authorized by Florida law, to the County property roll. After any amendment of the Assessment Roll, the District Manager shall file the updates in the District records.
- **SECTION 6. SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.
- **SECTION 7. EFFECTIVE DATE.** This Resolution shall take effect upon the passage and adoption of this Resolution by the Board.

**PASSED AND ADOPTED** this 13<sup>th</sup> day of July 2023.

#### AMENITIES ACCESS AND USAGE

- (1) General. Only Patrons have the right to use the Amenities; provided, however, that certain community programming events may be available to the general public where permitted by the District, and subject to payment of any applicable fees and satisfaction of any other applicable requirements, including adherence to these Amenity Policies and execution of waivers and hold harmless agreements, if any.
- (2) Use at your Own Risk. All persons using the Amenities do so at their own risk and agree to abide by the Amenity Policies. The District shall assume no responsibility and shall not be liable in any incidents, accidents, personal injury or death, or damage to or loss of property arising from the use of the Amenities or from the acts, omissions or negligence of other persons using the Amenities.
- (3) Resident Access and Usage. Residents are permitted to access and use the Amenities in accordance with the policies and rules set forth herein, and are not responsible for paying the Annual Non-Resident User Fee set forth herein. In order to fund the operation, maintenance and preservation of the facilities, projects and services of the District, the District levies maintenance special assessments payable by property owners within the District, in accordance with the District's annual budget and assessment resolutions adopted each fiscal year, and may additionally levy debt service assessments payable by property owners to repay debt used to finance public improvements. Residents shall not be entitled to a refund of any maintenance special assessments or debt service special assessments due to closure of the Amenities or suspension of that Resident's access privileges. Residents must complete the "Amenity Access Registration Form" prior to access or use of the Amenities, attached hereto as Exhibit B, and receive an Access Card.
- (4) Non-Resident Patron Access and Usage. A Non-Resident Patron must pay the Annual Non-Resident User Fee to have the right to use the Amenities for one full year, which year begins from the date of receipt of payment by the District. This fee must be paid in full before the Non-Resident may use the Amenities. Each subsequent Annual Non-Resident User Fee shall be paid in full on the anniversary date of application. District Staff shall be authorized to verify and enforce the authorized number of Guests. A Patron must always accompany its Guests during its Guests' use of the Amenities and are responsible for all actions, omissions and negligence of such Guests, including Guests' adherence to the Amenity Policies. Proof of property ownership may be required annually. All Patrons must use their Access Card for entrance to the Amenities. A maximum of two (2) Access Cards will be issued per Household.

All Patrons must use their Access Cards for entrance to the Amenity Facilities. Each Household will be authorized two (2) initial Access Cards free of charge after which a fee shall be charged for each additional Access Card in accordance with the Amenity Rates then in effect.

Patrons must scan their Access Cards in the card reader to gain access to the Amenities. This Access Card system provides a security and safety measure for Patrons and protects the Amenities from non-Patron entry. Under no circumstances shall a Patron provide their Access Card to another person, whether Patron or non-Patron, to allow access to the Amenities, and under no circumstances shall a Patron intentionally leave doors, gates, or other entrance barriers open to allow entry by non-Patrons

Access Cards are the property of the District and are non-transferable except in accordance with the District's Amenity Policies. All lost or stolen cards must be reported immediately to District Staff. Fees shall apply to replace any lost or stolen cards.

#### **FACILITY RENTAL POLICIES**

- (1) **Rentals; Patrons Only.** For the convenience and enjoyment of our Patrons, the Clubhouse is available for rental during normal operating hours by Patrons in order to use the Clubhouse on an exclusive basis for organized events. Unless otherwise directed by the District, only Patrons may rent the Clubhouse. Patrons may not rent the Clubhouse on behalf of non-Patrons. All rentals are subject to availability and the discretion of District Staff. The pool and pool deck areas are NOT available for rental and shall remain open to other Patrons and their Guests during normal operating hours.
- (2) Rental Reservation Process. Patrons interested in renting the clubhouse may reserve a desired rental date and time on a first-come, first-serve basis up to four (4) months in advance of such desired rental date. To reserve a desired rental date and time, Patrons must submit to the Amenity Manager a completed Amenity Rental Form and a check in the full amount of the Deposit as specified in the Amenity Rates ("Rental Date"). A desired rental date will NOT be reserved until both the completed Amenity Rental Form and Deposit are received by District Staff. District Staff will review the Amenity Rental Form and has full authority to deny the request subject to availability and in its reasonable discretion. No later than fourteen (14) days prior to the Rental Date, Patron must submit a check to the Amenity Manager for the full amount of the Rental Fee as specified in the Amenity Rates or Patron's Deposit will be forfeited and the Rental Date will be released and made available to other Patrons. To make a reservation within fourteen (14) days of the desired rental date, Patrons must submit to District Staff a completed Amenity Rental Form and a check in the total amount of both the Deposit and Rental Fee. NO EXCEPTIONS WILL BE MADE TO THE RENTAL RESERVATION PROCESS.
- (3) Cancellations. Cancellations must be made in writing and received by the Amenity Manager at least fifteen (15) days in advance of the Rental Date in order for Patron to receive a refund of the Deposit.
- (4) **Deposits.** Deposits will be returned within ten (10) days of the Rental Date provided there has been no damage to District property and the Clubhouse has been properly cleaned after use. To receive the full refund of the Deposit, the renting Patron must:
  - i. Remove all garbage, place in dumpster, and replace garbage liners;
  - ii. Remove all decorations, event displays, and materials;
  - iii. Return all furniture and other items to their original position;
  - iv. Wipe off counters, table tops, and the sink area;
  - v. Clean out and wipe down the refrigerator as well as any cabinets and other appliances used; and
  - vi. Otherwise, clean the Clubhouse and restore it to the pre-rented condition, and to the satisfaction of District Staff.
- (5) Additional Cleaning or Damage. The District may retain all or part of any Deposit if the District determines, in its sole discretion, that it is necessary to perform additional cleaning or to repair any damages arising from the rental. Should the costs of any such cleaning or repairs exceed the Deposit, the District shall have authority to recover such costs from Patron by any means legally available and to suspend Patron's access and use privileges until such Patron pays any such amounts.
- (6) **Duration of Events.** Unless otherwise authorized in writing by the District's Board of Supervisors pursuant to a special request, rentals shall take place during normal business hours and be for a maximum of five (5) hours, inclusive of set-up and clean-up time. No exceptions shall be made to allow for set-up or clean-up outside of the five (5) hour rental period.

- (7) **Noise.** The volume of any live or recorded music must not violate applicable County noise ordinances or unreasonably interfere with residents' use and enjoyment of their homes or the other Amenities.
- (8) Capacity. Under no circumstances shall the capacity limit of the Clubhouse be exceeded during any rental.
- (9) **Insurance.** Additional liability insurance coverage may be required for events that the District determines in its sole discretion should require additional liability insurance. The District must be named as an additional insured on any such insurance policy in order to satisfy any such requirement for additional liability insurance.

#### PLAYGROUND POLICIES

- (1) Use at Own Risk. Patrons may use the playgrounds and parks at their own risk and must comply with all posted signage.
- (2) Hours of Operation. Unless otherwise posted, all playground and park hours are from dawn to dusk.
- (3) Supervision of Children. Supervision by an adult eighteen (18) years and older is required for children fourteen (14) years of age or under. Children must always remain within the line of sight of the supervising adult. All children are expected to play cooperatively with other children.
- (4) Shoes. Proper footwear is required and no loose clothing, especially with strings, should be worn.
- (5) Mulch. The mulch material is necessary for reducing fall impact and for good drainage. It is not to be picked up, thrown, or kicked for any reason.
- **(6) Food & Drink.** No food, drinks or gum are permitted on the playground, other than such water in non-breakable containers as may be necessary for reasonable hydration, but are permitted at the parks. Patrons and Guests are responsible for clean-up of any food or drinks brought by them to the parks.
- (7) Glass. No glass containers or objects are permitted. Patrons should notify District Staff if broken glass is observed at the playground or parks.

#### SUSPENSION AND TERMINATION OF PRIVILEGES

- (1) General Policy. All persons using the Amenities and entering District property shall comply with the Amenity Policies established for the safe operations and maintenance of the District's Amenities. In order to protect the rights and privileges of rule-abiding Patrons, inappropriate behavior by Patrons will not be tolerated.
- (2) Suspension of Access and Use Privileges. The District, through its Board, District Manager, Amenity Manager and District Counsel shall have the right to restrict, suspend or terminate the Amenity privileges of any person to use the Amenities for any of the following behavior:
  - Submits false information on any application for use of the Amenities;
  - Permits the unauthorized use of an Access Card;
  - Exhibits unsatisfactory behavior, deportment or appearance;
  - Fails to pay amounts owed to the District in a proper and timely manner;
  - Fails to abide by any District rules or policies (e.g., Amenity Policies);
  - Treats the District's supervisors, staff, general/amenity management, contractors or other representatives, or other Patrons, in an unreasonable or abusive manner;
  - Damages or destroys District property; or
  - Engages in conduct that is improper or likely to endanger the health, safety, or welfare of the District, or its supervisors, staff, amenities management, contractors or other representatives, or other residents or guests.
- (3) Authority of District Staff. District Staff or their designee, may immediately remove any person from one or all Amenities if any of the above-referenced behaviors are exhibited or actions committed or if in his/her reasonable discretion it is the District's best interests to do so. District Staff may at any time restrict or suspend for cause or causes, including but not limited to those described above, any person's privileges to use any or all of the Amenities until the next regularly scheduled meeting of the Board of Supervisors.
- (4) Process for Suspension or Termination of Access and Use Privileges. Subject to the rights of District Staff set forth in Paragraph (3) above, the following process shall govern suspension and termination of privileges:
  - (a) Offenses:
    - **i** First Offense: Verbal warning by District Staff and suspension from the Amenities for up to one (1) week from the commencement of the suspension. Violation is recorded by District Staff, signed by the individual offender(s), and held on file by the District.
    - is Second Offense: Automatic suspension of all Amenity privileges for up to thirty (30) days from the commencement of the suspension, with the preparation by District Staff of a written report to be signed by the offender(s) and filed with the District.
    - Third Offense: Suspension of all Amenity privileges for up to one (1) year. Such suspension shall run to the next regular meeting of the Board of Supervisors. At said meeting, the record of all previous offenses will be presented to the Board for recommendation of termination of the offender(s) privileges for one (1) calendar year. The length of the suspension is in the discretion of the Board and may be for less than one (1) year.
  - (b) Each offense shall expire one (1) year after such offense was committed, at which time the number of offenses on record for such offender(s) shall be reduced by one. For example, if a first offense is committed on February 1 and a second offense on August 1, there will be two offenses on record until February 1 of the following year, at which time the first offense will expire and the second

- offense will thereafter be considered a first offense until it expires on the following August 1. The provisions of this Paragraph shall not at any time serve to reduce any suspensions or terminations, which may have been imposed prior to the expiration of any offenses
- (c) Notwithstanding the foregoing, any time a user of the Amenity is arrested for an act committed, or allegedly committed, while on the premises of the Amenity, or violates these Policies in a manner that, in the discretion of the District Staff upon consultation with one Board member, justifies suspension beyond the guidelines set forth above, such offender shall have all amenity privileges immediately suspended until the next Board of Supervisors meeting. At the Board meeting, the Board will be presented with the facts surrounding the arrest or violation and the Board may make a recommendation of suspension or termination of the offender's privileges, which suspension or termination may include members of the offender's Household and may, upon the first offense, equal or exceed one year. In situations that pose a long-term or continuing threat to the health, safety and welfare of the District and its residents and users, permanent termination of Amenity privileges may be warranted and considered.
- (d) Any suspension or termination of Amenity privileges may be appealed to the Board of Supervisors for reversal or reduction. The Board's decision on appeal shall be final and binding.
- (5) Legal Action; Criminal Prosecution. If any person is found to have committed any of the infractions noted in Paragraph 2 above, such person may additionally be subject to arrest for trespassing or other applicable legal action, civil or criminal in nature.

Should any Patron or other person bring suit against the Indemnitees in connection with the Activities or relating in any way to the Amenities, and fail to obtain judgment therein against the Indemnitees, said Patron or other person shall be liable to the District for all attorneys' fees, costs and other expenses for investigation and defense and in connection with, among other proceedings, alternative dispute resolution, trial court, and appellate proceedings.

The waiver of liability contained herein does not apply to any act of intentional, willful or wanton misconduct by the Indemnitees.

For purposes of this section, the term "Activities" shall mean the use of or acceptance of the use of the Amenities, or engagement in any contest, game, function, exercise, competition, sport, event or other activity operated, organized, arranged or sponsored by the District, its contractors or third parties authorized by the District.

#### **SEVERABILITY**

The invalidity or unenforceability of any one or more provisions of these policies shall not affect the validity or enforceability of the remaining provisions, or any part of the policies not held to be invalid or unenforceable.

## AMENDMENTS AND WAIVERS

The Board in its sole discretion may amend these Amenity Policies from time to time. The Board by vote at a public meeting or the District Manager may elect in its/their sole discretion at any time to grant waivers to any of the provisions of these Amenity Policies, provided however that the Board is informed within a reasonable time of any such waivers.

**CERTIFIED PUBLIC ACCOUNTANTS** 

#### INDEPENDENT AUDITORS' REPORT

To the Board of Supervisors
Eagle Hammock Community Development District
City of Eagle Lake, Florida

#### **Opinions**

We have audited the accompanying financial statements of the governmental activities and each major fund of Eagle Hammock Community Development District, City of Eagle Lake, Florida ("District") as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the District as of September 30, 2022, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of
  expressing an opinion on the effectiveness of the District's internal control. Accordingly,
  no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information

because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated June 19, 2023, on our consideration of the Eagle Hammock Community Development District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, rules, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the District's internal control over financial reporting and compliance.

#### Report on Other Legal and Regulatory Requirements

We have also issued our report dated June 19, 2023 on our consideration of the District's compliance with requirements of Section 218.415, Florida Statutes, as required by Rule 10.556(10) of the Auditor General of the State of Florida. The purpose of that report is to provide an opinion based on our examination conducted in accordance with attestation Standards established by the American Institute of Certified Public Accountants.

MANAGEMENT'S DISCUSSION AND ANALYSIS September 30, 2022

Our discussion and analysis of Eagle Hammock Community Development District, City of Eagle Lake, Florida ("District") financial performance provides an overview of the District's financial activities for the fiscal year ended September 30, 2022. Please read it in conjunction with the District's Independent Auditor's Report, basic financial statements, accompanying notes and supplementary information to the basic financial statements.

#### FINANCIAL HIGHLIGHTS

- The liabilities of the District exceeded its assets at the close of the most recent fiscal year resulting in a net position balance of (\$279,617).
- The change in the District's total net position in comparison with the prior fiscal year was (\$279,617), a decrease. The key components of the District's net position and change in net position are reflected in the table in the government-wide financial analysis section.
- At September 30, 2022, the District's governmental funds reported combined ending fund balances of \$179,205. The general fund balance is unassigned which is available for spending at the District's discretion.

#### OVERVIEW OF FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as the introduction to the District's financial statements. The District's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

#### **Government-Wide Financial Statements**

The government-wide financial statements are designed to provide readers with a broad overview of the District's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all the District's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the District is improving or deteriorating.

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

MANAGEMENT'S DISCUSSION AND ANALYSIS September 30, 2022

The government-wide financial statements include all governmental activities that are principally supported by developer contributions. The District does not have any business-type activities. The governmental activities of the District include the general government (management) and maintenance and operations.

#### **Fund Financial Statements**

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The District, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The District has one fund category: governmental funds.

#### **Governmental Funds**

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a District's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the District's near-term financing decisions.

Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balance provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The District maintains three individual governmental funds for external reporting. Information is presented in the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances for the general fund, debt service fund and capital projects fund. Both funds are major funds. The District adopts an annual appropriated budget for its general fund. A budgetary comparison schedule has been provided for the general fund to demonstrate compliance with the budget.

#### **Notes to the Financial Statements**

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

MANAGEMENT'S DISCUSSION AND ANALYSIS September 30, 2022

#### GOVERNMENT WIDE FINANCIAL ANALYSIS

As noted earlier, net position may serve over time as a useful indicator of an entity's financial position. In the case of the District, assets exceeded liabilities at the close of the most recent fiscal year. A portion of the District's net position reflects its investment in capital assets (e.g. land, land improvements and infrastructure). These assets are used to provide services to residents; consequently, these assets are not available for future spending. The balance of unrestricted net position may be used to meet the District's obligations.

Key components of net position were as follows:

#### Statement of Net Position

| Current assets                  | \$<br>194,628   |
|---------------------------------|-----------------|
| Capital assets                  | 3,393,190       |
| Total assets                    | 3,587,818       |
| Current liabilities             | 122,435         |
| Long-term liabilities           | 3,745,000       |
| Total liabilities               | 3,867,435       |
| Net position                    |                 |
| Net invested in capital assets  | (406,810)       |
| Restricted for debt service     | 112,947         |
| Restricted for capital projects | 3,872           |
| Unrestricted                    | 10,374          |
| Total net position              | \$<br>(279,617) |

The District's net position decreased during the most recent fiscal year. The majority of the change represents the degree to which ongoing cost of operations exceeded the program revenues.

Key elements of the District's change in net position are reflected in the following table:

#### Change in Net Position

| \$<br>109,270   |

MANAGEMENT'S DISCUSSION AND ANALYSIS September 30, 2022

As noted above and in the statement of activities, the cost of all governmental activities during the fiscal year ended September 30, 2022 was \$389,148, which primarily consisted of cost of issuance, costs associated with general expenditures and constructing and maintaining certain capital improvements of the District. The costs of the District's activities were funded by developer contributions.

#### GENERAL BUDGETING HIGHLIGHTS

An operating budget was adopted and maintained by the governing board for the District pursuant to the requirements of Florida Statutes. The budget is adopted using the same basis of accounting that is used in preparation of the fund financial statements. The legal level of budgetary control, the level at which expenditures may not exceed budget, is in the aggregate. Any budget amendments that increase the aggregate budgeted appropriations must be approved by the Board of Supervisors. Actual general fund expenditures did not exceed appropriations for the fiscal year ended September 30, 2022.

The variance between budgeted and actual general fund revenues is not considered significant. The actual general fund expenditures for the current fiscal year were lower than budgeted amounts due primarily to anticipated costs which were not incurred in the current fiscal year.

#### CAPITAL ASSETS AND DEBT ADMINISTRATION

#### Capital Assets

At September 30, 2022, the District had \$3,393,190 invested in construction in process. Construction in process has not completed as of September 30, 2022 and therefore is not depreciated to date. More detailed information about the District's capital assets is presented in the notes of the financial statements.

#### Capital Debt

At September 30, 2022, the District had \$3,800,000 Bonds outstanding for its governmental activities. More detailed information about the District's capital debt is presented in the accompanying notes to the financial statements.

#### ECONOMIC FACTORS, NEXT YEAR'S BUDGET AND OTHER INFORMATION

For the fiscal year 2023, the District anticipates that the cost of general operations will remain fairly constant. In connection with the District's future infrastructure maintenance and replacement plan, the District Board has included in the budget, an estimate of those anticipated future costs and has assigned a portion of current available resources for that purpose.

#### NOTE A- NATURE OF ORGANIZATION AND REPORTING ENTITY

Eagle Hammock Community Development District ("District") was created on March 7, 2022 by the City Commission of the City of Eagle Lake, Florida Ordinance No. 0-22-08 pursuant to the Uniform Community Development District Act of 1980, otherwise known as Chapter 190, Florida Statutes. The Act provides among other things, the power to manage basic services for community development, power to borrow money and issue bonds, and to levy and assess non-ad valorem assessments for the financing and delivery of capital infrastructure.

The District was established for the purposes of financing and managing the acquisition, construction, maintenance and operation of a portion of the infrastructure necessary for community development within the District.

The District is governed by the Board of Supervisors ("Board"), which is composed of five members. The Supervisors are elected on an at large basis by the qualified electors of the property owners within the District. The Board of Supervisors of the District exercise all powers granted to the District pursuant to Chapter 190, Florida Statutes.

The Board has the responsibility for:

- 1. Assessing and levying assessments.
- 2. Approving budgets.
- 3. Exercising control over facilities and properties.
- 4. Controlling the use of funds generated by the District.
- 5. Approving the hiring and firing of key personnel.
- 6. Financing Improvements.

The financial statements were prepared in accordance with Governmental Accounting Standards Board ("GASB") Statements. Under the provisions of those standards, the financial reporting entity consists of the primary government, organizations for which the District Board of Supervisors is considered to be financially accountable, and other organizations for which the nature and significance of their relationship with the District are such that, if excluded, the financial statements of the District would be considered incomplete or misleading. There are no entities considered to be component units of the District; therefore, the financial statements include only the operations of the District.

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Government-Wide and Fund Financial Statements**

The basic financial statements include both government-wide and fund financial statements. The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the primary government. For the most part, the effect of interfund activity has been removed from these statements.

NOTES TO FINANCIAL STATEMENTS September 30, 2022

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Government-Wide and Fund Financial Statements (continued)

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to customers who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment. Operating-type special assessments for maintenance and debt service are treated as charges for services and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Other Items not included among program revenues are reported instead as general revenues.

#### Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Assessments are recognized as revenues in the year for which they are levied. Grants and similar items are to be recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the economic financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period.

Expenditures are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

#### Assessments

Assessments are non-ad valorem assessments on benefited lands within the District. Assessments are levied to pay for the operations and maintenance of the District. The fiscal year for which annual assessments are levied begins on October 1 with discounts available for payments through February 28 and become delinquent on April 1. The District's annual assessments for operations are billed and collected by the County Tax Collector and/or direct billing. The amounts remitted to the District are net of applicable discounts or fees and include interest on monies held from the day of collection to the day of distribution.

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Measurement Focus, Basis of Accounting and Financial Statement Presentation (continued)

#### Assessments (continued)

Assessments and interest associated with the current fiscal period are considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. The portion of assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. All other revenue items are considered to be measurable and available only when cash is received by the government.

The District reports the following major governmental funds:

#### General Fund

The general fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund.

When both restricted and unrestricted resources are available for use, it is the government's policy to use restricted resources first for qualifying expenditures, then unrestricted resources as they are needed.

#### **Debt Service Fund**

The debt service fund is used to account for the accumulation of resources for the annual payment of principal and interest of long-term debt.

#### Capital Projects Fund

The capital projects fund accounts for the financial resources to be used for the acquisition or construction of major infrastructure with the District.

#### Assets, Liabilities and Net Position or Equity

#### Restricted Assets

These assets represent cash and investments set aside pursuant to contractual restrictions.

#### Deposits and Investments

The District's cash and cash equivalents are considered to be cash on hand and demand deposits (interest and non-interest bearing).

NOTES TO FINANCIAL STATEMENTS September 30, 2022

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Assets, Liabilities and Net Position or Equity (continued)

The District has elected to proceed under the Alternative Investment Guidelines as set forth in Section 218.415 (17) Florida Statutes. The District may invest any surplus public funds in the following:

- a) The Local Government Surplus Trust Funds, or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act;
- b) Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency;
- c) Interest bearing time deposits or savings accounts in qualified public depositories;
- d) Direct obligations of the U.S. Treasury.

Securities listed in paragraph c and d shall be invested to provide sufficient liquidity to pay obligations as they come due. In addition, surplus funds may be deposited into certificates of deposit which are insured.

The District records all interest revenue related to investment activities in the respective funds and reports investments at fair value.

#### **Inventories and Prepaid Items**

Inventories of governmental funds are recorded as expenditures when consumed rather than when purchased.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

#### Capital Assets

Capital assets, which include property, plant and equipment, and infrastructure assets (e.g., roads, sidewalks and similar items) are reported in the government activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

NOTES TO FINANCIAL STATEMENTS September 30, 2022

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Assets, Liabilities and Net Position or Equity (continued)

#### Capital Assets (continued)

In the governmental fund financial statements, amounts incurred for the acquisition of capital assets are reported as fund expenditures. Depreciation expense is not reported in the governmental fund financial statements.

#### Unearned Revenue

Governmental funds report unearned revenue in connection with resources that have been received, but not yet earned.

#### Long-Term Obligations

In the government-wide financial statements long-term debt and other long-term obligations are reported as liabilities in the statement of net position. Bond premiums and discounts are deferred and amortized over the life of the Bonds. Bonds payable are reported net of applicable premiums or discounts. Bond issuance costs are expensed when incurred.

In the fund financial statements, governmental fund types recognize premiums and discounts, as well as issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

#### Deferred Outflows/Inflows of Resources

The statement of net position reports, as applicable, a separate section for deferred outflows of resources. Deferred outflows of resources represent a consumption of net position that applies to future reporting period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until that time. For example, the District would record deferred outflows of resources related to debit amounts resulting from current and advance refundings resulting in the defeasance of debt (i.e. when there are differences between the reacquisition price and the net carrying amount of the old debt).

The statement of net position reports, as applicable, a separate section for deferred inflows of resources. Deferred inflows of resources represent an acquisition of net position that applies to future reporting period(s) and so will not be recognized as an inflow of resources (revenue) until that time. For example, when an asset is recorded in the governmental fund financial statements, but the revenue is not available, the District reports a deferred inflow of resources until such times as the revenue becomes available.

NOTES TO FINANCIAL STATEMENTS September 30, 2022

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Assets, Liabilities and Net Position or Equity (continued)

#### Fund Equity/Net Position

In the fund financial statements, governmental funds report non spendable and restricted fund balance for amounts that are not available for appropriation or are legally restricted by outside parties for use for a specific purpose. Assignments of fund balance represent tentative management plans that are subject to change.

Committed fund balance - Amounts that can be used only for the specific purposes determined by a formal action (resolution) of the Board of Supervisors. Commitments may be changed or lifted only by the Board of Supervisors taking the same formal action (resolution) that imposed the constraint originally. Resources accumulated pursuant to stabilization arrangements sometimes are reported in this category.

Assigned fund balance - Includes spendable fund balance amounts that are intended to be used for specific purposes that are neither considered restricted nor committed. The Board can assign fund balance as it does when appropriating fund balance to cover differences in estimated revenue and appropriations in the subsequent year's appropriated budget. Assignments are generally temporary and normally the same formal action need not be taken to remove the assignment.

The District first uses committed fund balance, followed by assigned fund balance and then unassigned fund balance when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Net position is the difference between assets and deferred outflows of resources less liabilities and deferred inflows of resources. Net position in the government-wide financial statements are categorized as net investment in capital assets, restricted or unrestricted. Net investment in capital assets represents net position related to infrastructure and property, plant and equipment. Restricted net position represents the assets restricted by the District's Bond covenants or other contractual restrictions. Unrestricted net position consists of the net position not meeting the definition of either of the other two components.

NOTES TO FINANCIAL STATEMENTS September 30, 2022

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Other Disclosures**

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

#### NOTE C - BUDGETARY INFORMATION

The District is required to establish a budgetary system and an approved Annual Budget. Annual Budgets are adopted on a basis consistent with generally accepted accounting principles for the general fund. All annual appropriations lapse at fiscal year end.

The District follows these procedures in establishing the budgetary data reflected in the financial statements.

- a) Each year the District Manager submits to the District Board a proposed operating budget for the fiscal year commencing the following October 1.
- b) Public hearings are conducted to obtain public comments.
- c) Prior to October 1, the budget is legally adopted by the District Board.
- d) All budget changes must be approved by the District Board.
- e) The budgets are adopted on a basis consistent with generally accepted accounting principles.
- f) Unused appropriation for annually budgeted funds lapse at the end of the year.

#### NOTE D - DEPOSITS AND INVESTMENTS

#### **Deposits**

The District's cash balances, including certificates of deposit, were entirely covered by federal depository insurance or by a collateral pool pledged to the State Treasurer. Florida Statutes Chapter 280, "Florida Security for Public Deposits Act", requires all qualified depositories to deposit with the Treasurer or another banking institution eligible collateral equal to various percentages of the average daily balance for each month of all public deposits in excess of any applicable deposit insurance held. The percentage of eligible collateral (generally, U.S. Governmental and agency securities, state or local government debt, or corporate bonds) to public deposits is dependent upon the depository's financial history and its compliance with Chapter 280. In the event of a failure of a qualified public depository, the remaining public depositories would be responsible for covering any resulting losses.

NOTES TO FINANCIAL STATEMENTS September 30, 2022

#### NOTE D – DEPOSITS AND INVESTMENTS (CONTINUED)

#### Investments

The District's investments were held as follows at September 30, 2022:

| Investment                          | Fa | ir Value | Credit Risk                             | Maturities              |

| Total Investments                   | \$ | 168,831  |   |                         |

Custodial credit risk - For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the District will not be able to recover the value of the investments or collateral securities that are in the possession of an outside party. The District has no formal policy for custodial risk. The investments listed in the schedule above are not evidenced by securities that exist in physical or book entry form.

Credit risk - For investments, credit risk is generally the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Investment ratings by investment type are included in the preceding summary of investments.

Concentration risk - The District places no limit on the amount the District may invest in anyone issuer.

Interest rate risk - The District does not have a formal policy that limits investment maturities as a means of managing exposure to fair value losses arising from increasing interest rates.

Fair Value Measurement – When applicable, the District measures and records its investments using fair value measurement guidelines established in accordance with GASB Statements. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques.

These guidelines recognize a three-tiered fair value hierarchy, in order of highest priority, as follows:

- Level 1: Investments whose values are based on unadjusted quoted prices for identical investments in active markets that the District has the ability to access;
- Level 2: Investments whose inputs other than quotes market prices are observable either directly or indirectly; and,
- Level 3: Investments whose inputs are unobservable.

NOTES TO FINANCIAL STATEMENTS September 30, 2022

#### NOTE D – DEPOSITS AND INVESTMENTS (CONTINUED)

#### **Investments (continued)**

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the entire fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

#### NOTE F - LONG-TERM LIABILITIES

\$3,800,000 Special Assessment Bonds, Series 2022 – On July 8, 2022, the District issued \$3,800,000 in Special Assessment Bonds, Series 2022. The Bonds were issued to finance the acquisition and construction of certain improvements for the benefit of the property within the District. The Bonds are payable May 2052. The Bonds bear interest ranging from 4.375% to 5.375% payable semi-annually on the first day of each May and November. Principal is due serially each May 1, commencing May 2023.

The Bond Indenture established a debt service reserve requirement as well as other restrictions and requirements relating principally to the use of proceeds and the procedures to be followed by the District on assessments to property owners. #### EAGLE HAMMOCK COMMUNITY DEVELOPMENT DISTRICT

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION

The District is required to establish a budgetary system and an approved Annual Budget for the general fund. The District's budgeting process is based on estimates of cash receipts and cash expenditures which are approved by the Board. The budget approximates a basis consistent with accounting principles generally accepted in the United States of America (generally accepted accounting principles).

An operating budget was adopted and maintained by the governing board for the District pursuant to the requirements of Florida Statutes. The budget is adopted using the same basis of accounting that is used in preparation of the fund financial statements. The legal level of budgetary control, the level at which expenditures may not exceed budget, is in the aggregate. Any budget amendments that increase the aggregate budgeted appropriations must be approved by the Board of Supervisors, Actual general fund expenditures did not exceed appropriations for the fiscal year ended September 30, 2022.

The variance between budgeted and actual general fund revenues is not considered significant. The actual general fund expenditures for the current fiscal year were lower than budgeted amounts due primarily to anticipated costs which were not incurred in the current fiscal year.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors

Eagle Hammock Community Development District
City of Eagle Lake, Florida

We have audited in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Eagle Hammock Community Development District, as of September 30, 2022 and for the year ended September 30, 2022, which collectively comprise the Eagle Hammock Community Development District's basic financial statements and have issued our report thereon dated June 19, 2023.

### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Purpose of this Report

This report is intended solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the District's compliance with specified requirements.
